

DepotMaestro Pop-up Blockers Instructions

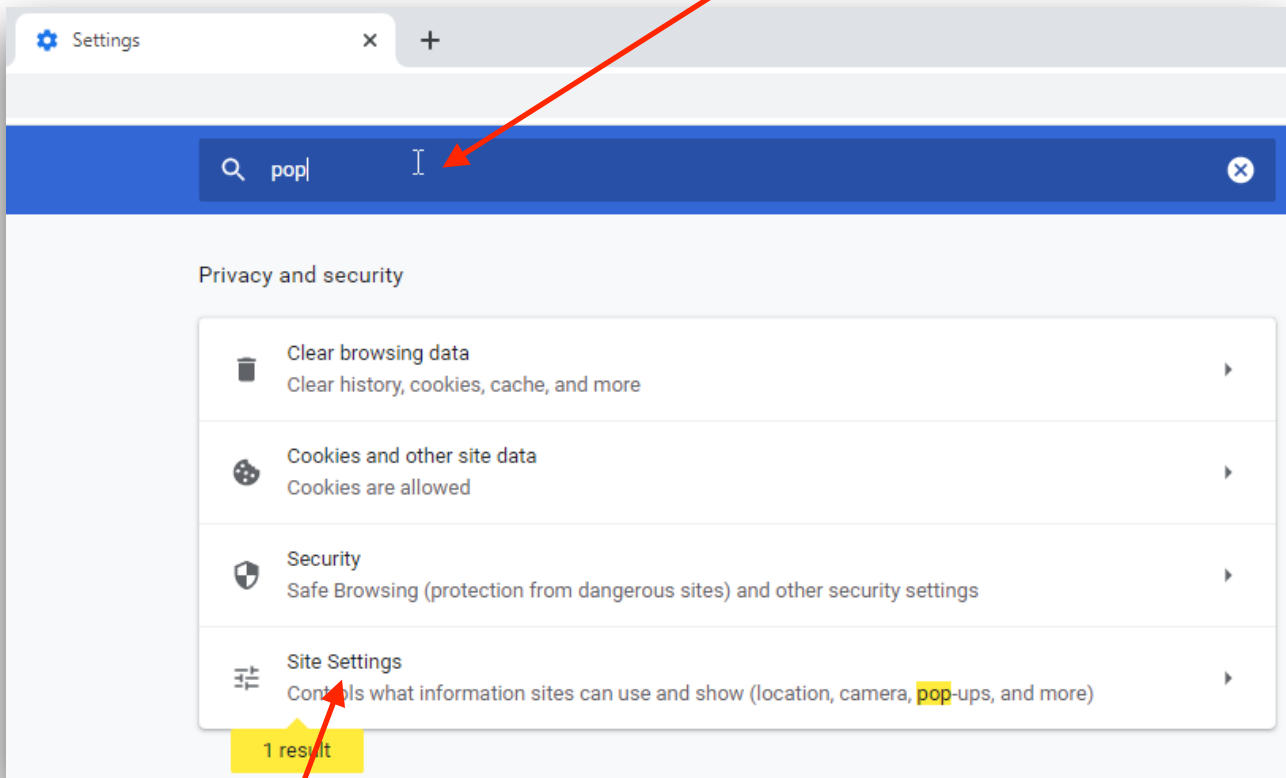

Open Chrome - click on the 3-dot icon on the top right of the page

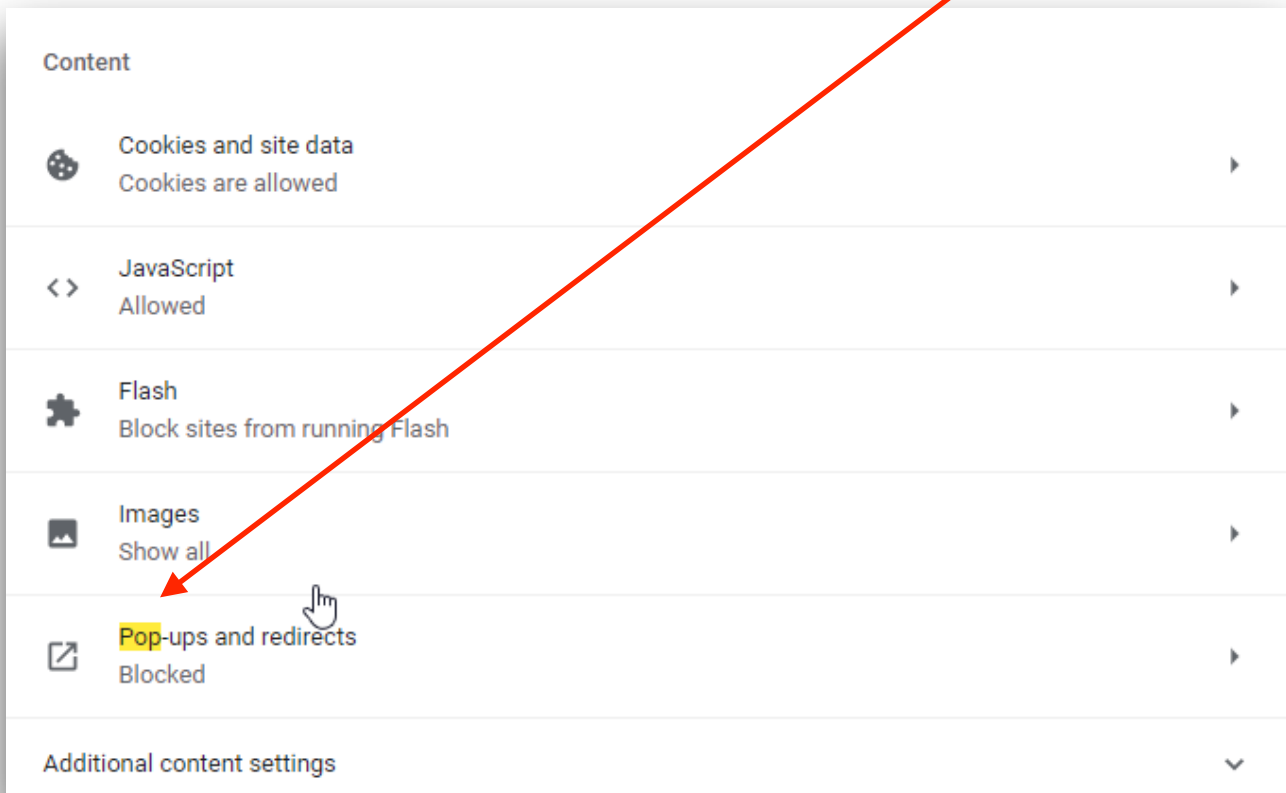

Once clicked, the drop-down menu appears - click on Settings

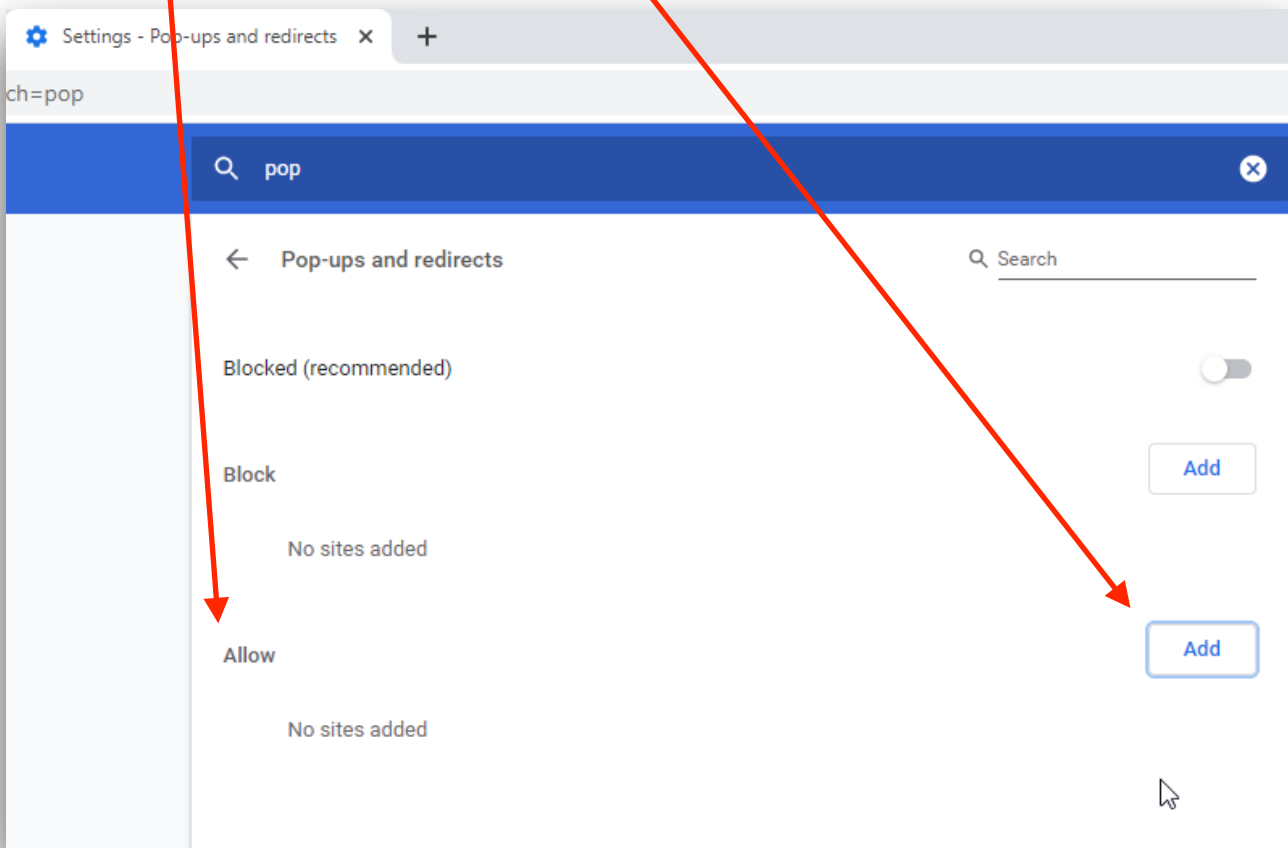

When the Settings tab opens, type 'pop' in the blue search bar

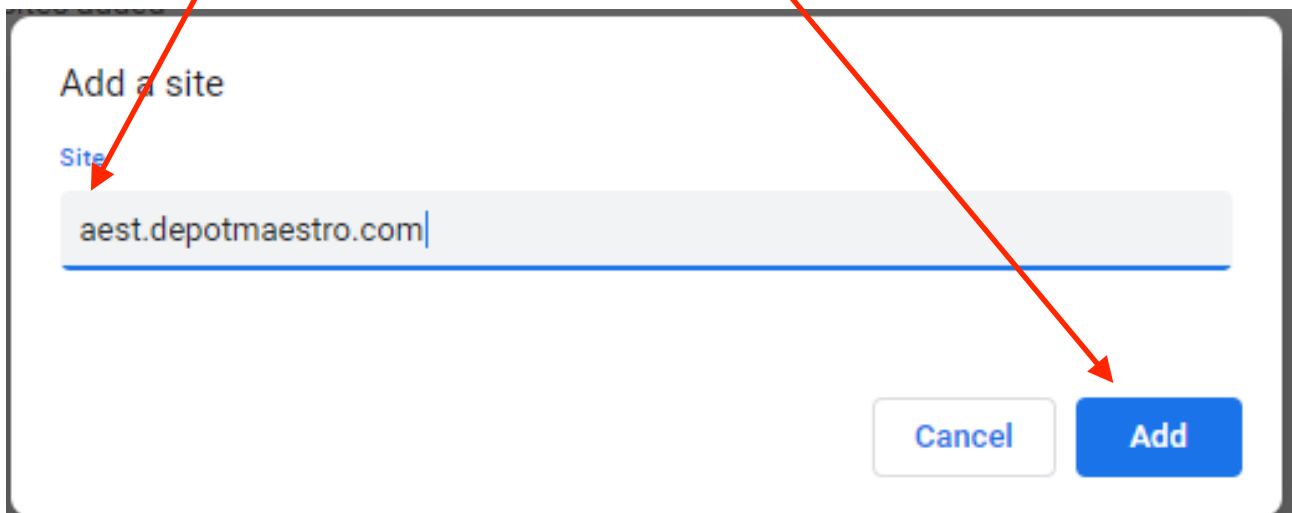

Click on Site Settings - then scroll down to the bottom and click on Pop-ups and redirects

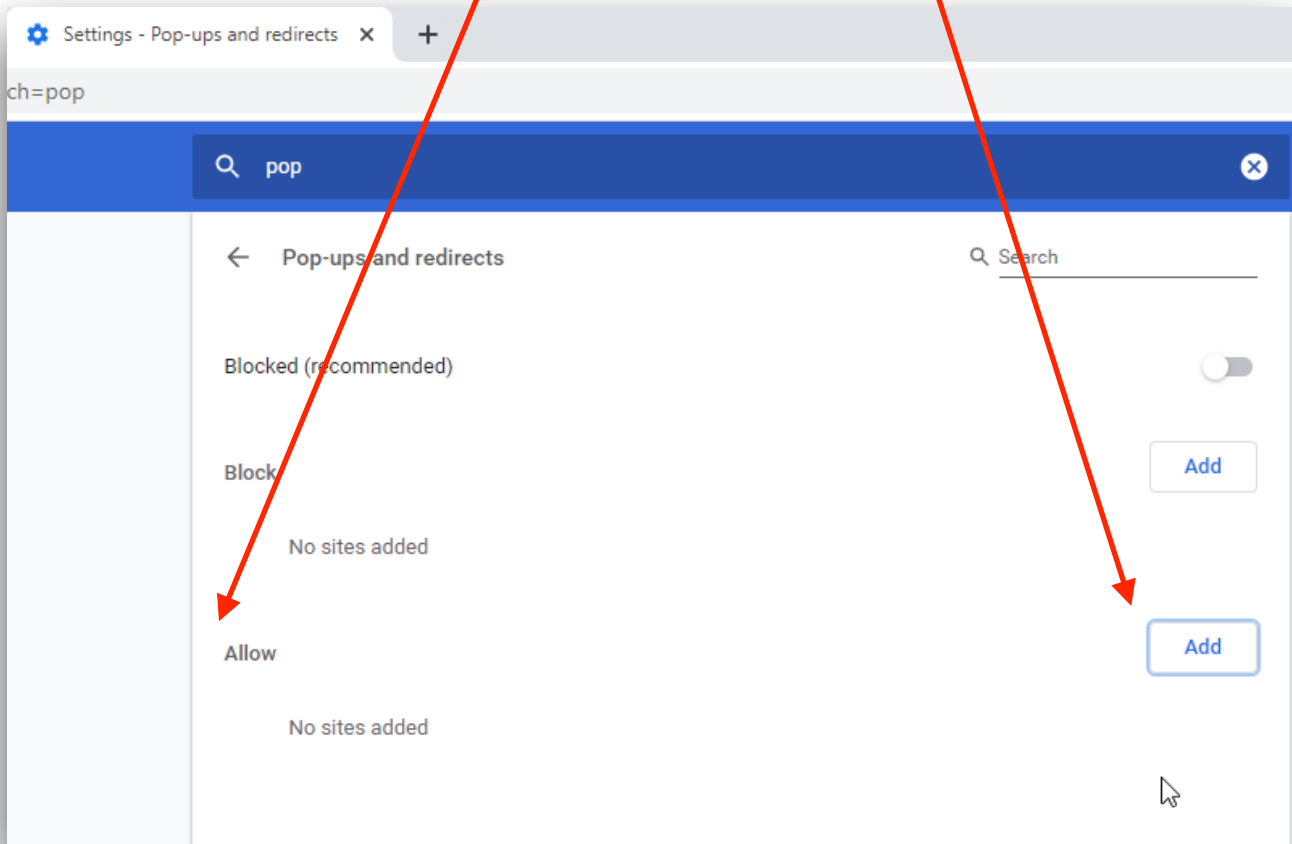

In the Allow section, click the Add button

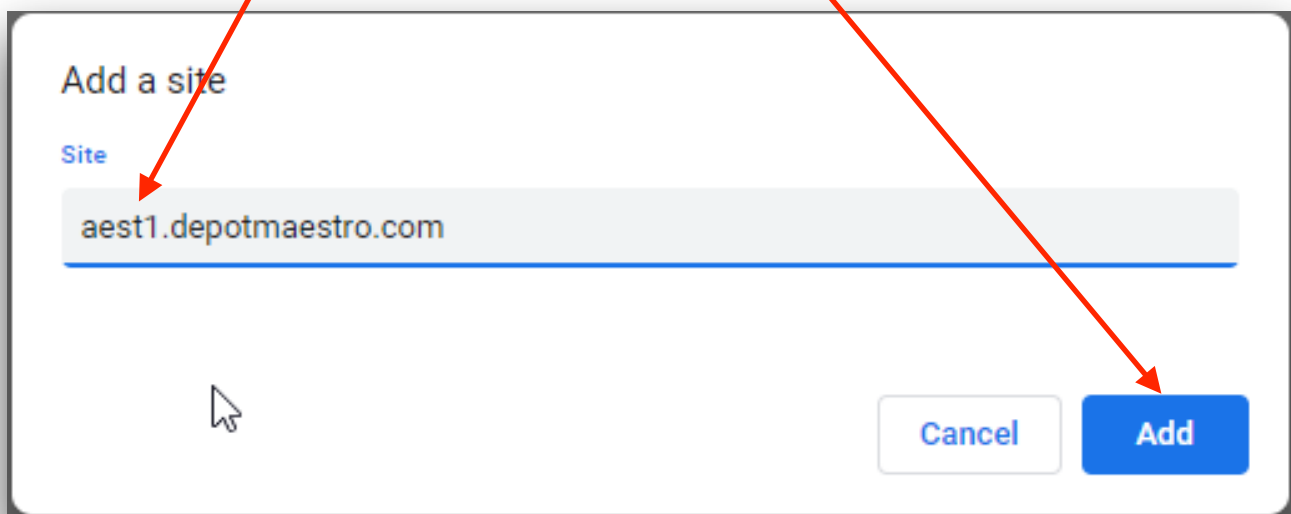

Type in *aest.depotmaestro.com* then click Add

For the second time, in the Allow section, click the Add button

Type in *aest1.depotmaestro.com* then click Add (note: *aest1*)

That's it!! Close the Settings tab and log in
