

DepotMaestro Pop-up Blockers Instructions

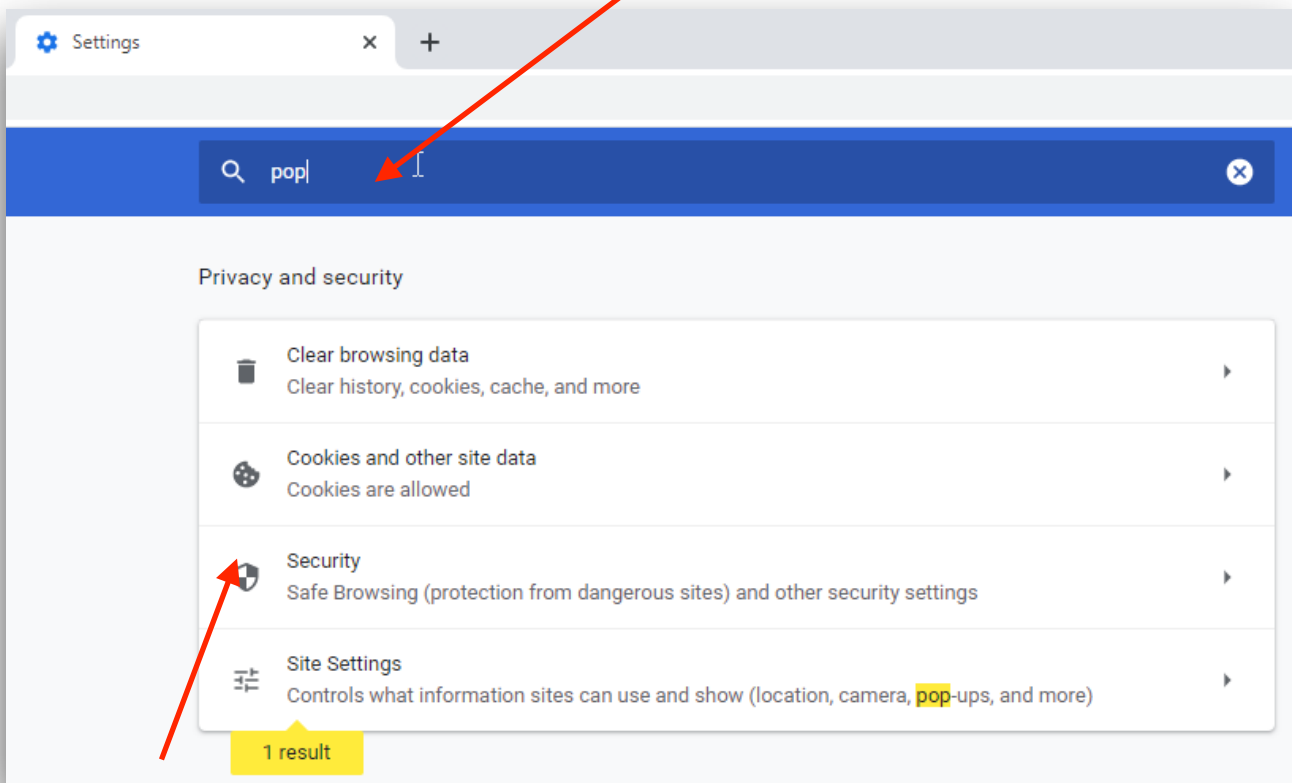

Open your browser - click on the 3-dot or 3-line icon on the top right of the page

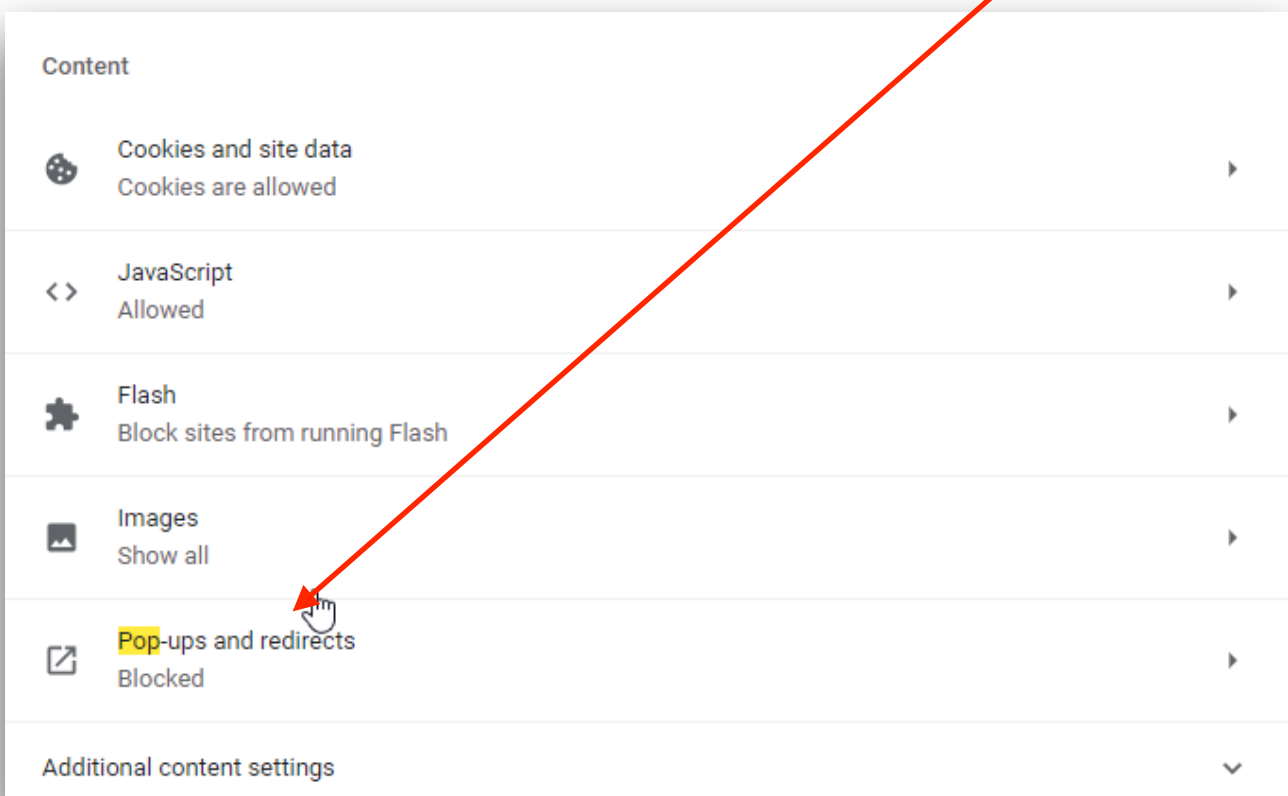

Once clicked, the drop-down menu appears - click on Settings

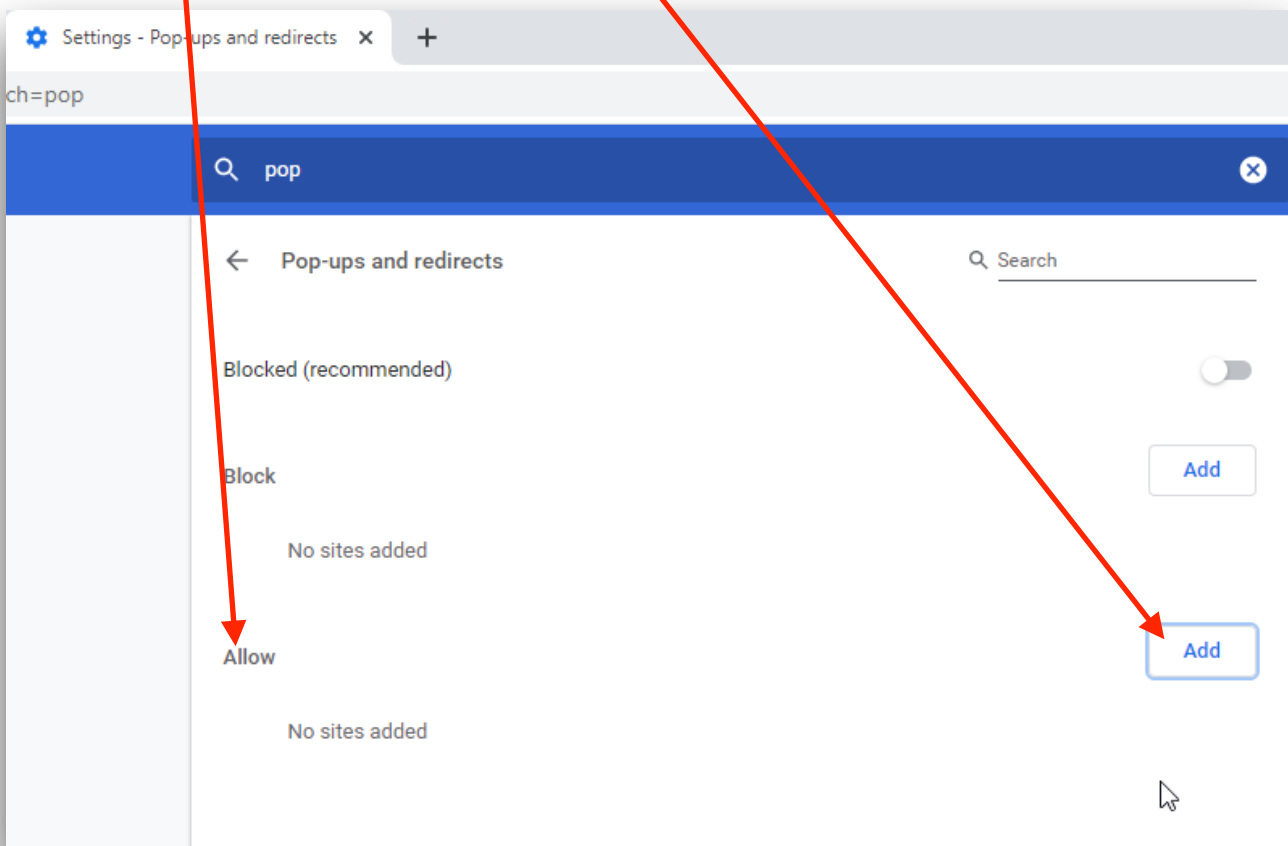

When the Settings tab opens, type 'pop' in the search bar - depending on your browser, it might be slightly different

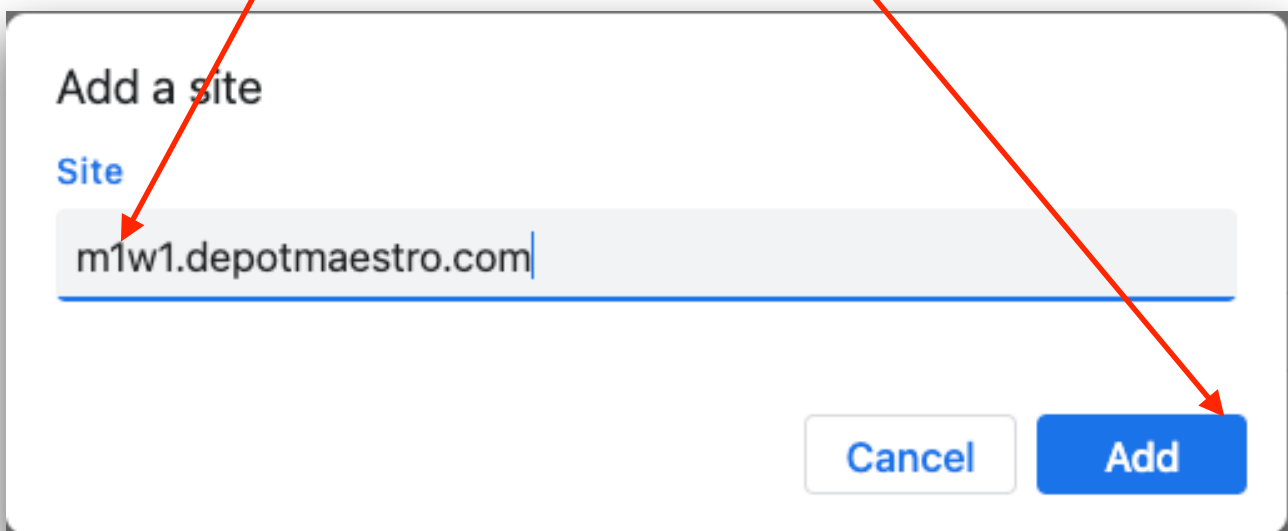

Click on Site Settings - then scroll down to the bottom and click on Pop-ups and redirects

In the Allow section, click the Add button

Type in *m1w1.depotmaestro.com* then click Add

Some browsers also need you to add *my-1.depotmaestro.com*
That's it!! Close the Settings tab and log in
